Re: U.S. Department of Energy (DOE) Paducah Gaseous Diffusion Plant (PGDP):
Proposed Modification to Appendix C of the Federal Facility Agreement
(FFA)

Gentlemen:

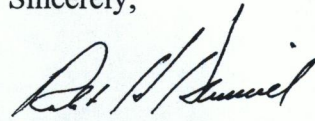

The Kentucky Division of Waste Management (Division) does hereby approve the October 28, 1998 DOE proposed minor modification to Appendix C of the FFA (FY 1999 Schedule of Commitments). Please find attached to this letter the FFA modification form approving the proposal as a minor modification to the FFA.

The approval of this modification is a result of several months of teamwork by DOE, EPA Region 4, and the Division, and exemplifies what our agencies can accomplish when we work together in good faith. The Division appreciates the efforts put forth by DOE and EPA toward the implementation of this new schedule. The Division is optimistic that our agencies will continue to work so well together and in the spirit of teamwork and good faith as we continue to pursue our ultimate goal which is the protection of human health and the environment.

Please contact Tuss Taylor at (502) 564-4797 if you have any questions or comments regarding this matter.

Sincerely,
