Lexington, KY 40513

Dear Ms. Fultz:

**Contract No. DE-EM0004895: Four Rivers Nuclear Partnership, LLC, Deliverable No. 67—  
2020 Treatability Study Summary Report**

Four Rivers Nuclear Partnership, LLC, has reviewed the requirements associated with the subject submittal. In accordance with 401 *KAR* 39:060 § 3 [40 *CFR* § 261.4(f)(9)], the Kentucky Department for Environmental Protection requires annual submittal of a treatability study summary report for treatability studies that were conducted during the previous calendar year (CY).

No treatability studies were conducted during CY 2020; therefore, a treatability study summary report is not required for 2020.

If there are any questions, please contact James Miller at (270) 441-5068.

The signatory of this transmittal ensures that the document is a signed final document. The signatory also has reviewed and agrees that the deliverable is, to the best of the signatory's knowledge, technically correct, complies with the Contract and applicable DOE Orders, can be implemented without further action and is of sufficient quality, depth, thoroughness, and format to support DOE approval.

Sincerely,

Myrna Espinosa Redfield  
Program Manager
